## Engagement process description

Dudley MBC is seeking input from education and training providers, special schools, alternative provision specialists, and other relevant stakeholders to help shape the framework. We would like to hear from providers that offer specialist bespoke services that can support our children and young people. We would like to hear from all types of organisations, and companies that can become part of a wider offer.

Interested organisations are invited to participate in a market engagement event where the council will provide further information about the project, listen to ideas and thoughts from providers, to help us shape future plans. It will be an opportunity to find out what the council are looking for and how you might even be able to offer something different.

Participation or non-participation in the preliminary market engagement notice process shall

not prevent any supplier participating in a potential future procurement, nor is it intended that any information supplied as part of the pre-procurement process shall place any supplier at an advantage in a potential procurement process.
