II.1.4) Short description

The Department for Business, Energy and Industrial Strategy (BEIS) has a legal obligation to ensure that reasonable adjustments are made to accommodate the needs of those with long term or temporary impairments or disabilities. It falls to BEIS Digital to ensure that Assistive Technology products and services are made available to meet any requirements needed to use ICT/digital solutions. Such requirements are usually identified through a formal, specialist workplace assessment.

The purpose of the proposed tender requirement is to source specialist external resource to support our current and new Assistive Technology users.

The length of the proposed contract is 2 years with an option to extend by a further 1 year, totalling a 3-year contract term.
