II.1.4) Short description

NHS SBS is seeking to put in place a comprehensive framework agreement for the supply of Patient Communications & Engagement Solutions.

The framework aims to provide a simple, effective, efficient, and compliant route to market for the supply of communication methods to engage with patients, citizens and the workforce across NHS organisations and wider public sector bodies. It provides access to communications, alerts, reminders, and appointment technology, through a range of communication channels with Digital First, but ensuring inclusion is maximised by offering traditional methods such as Phone, Mail and SMS. Friends and Family Test (FFT) surveys can also be commissioned.

The framework is in response to the need within the NHS for better pre and post appointment communications, supporting healthcare professionals to provide effective clinical care while improving clinical efficiency and safety to drive increases in patient satisfaction.

V.2.4) Information on value of contract/lot (excluding VAT)

Total value of the contract/lot: £250,000,000

Section VI. Complementary information

VI.3) Additional information

? The duration referenced in Section II.2.7 is for the placing of orders.

The value provided in Section II.1.5 is only an estimate. We cannot guarantee to successful suppliers any business through this framework agreement. Spend and volumes may vary throughout the life of the framework agreement from the anticipated levels given in this notice.

The Framework will be for the benefit, and on behalf, of public sector bodies, details of such bodies can be accessed at: <https://www.sbs.nhs.uk/proc-framework-agreements-support>

In addition, if provided for in the contract documents, NHS SBS may extend the scope and benefit of the Framework Agreement to private sector bodies, subject to the approval of NHS SBS. Whilst NHS SBS is not required by procurement legislation to do so, it has extended the principles of public procurement rules to provide its private sector customers with the best value and open and transparent procurement procedures.

The envisaged maximum number of participants to the framework agreement, stated in IV.1.3 is an estimate and is subject to change

VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

? PCR compliant (FTS) procedures include a minimum 10 calendar day standstill period at the point information on the award of the contract is communicated to bidders. This period allows unsuccessful bidders to seek further debriefing from the contracting authority before the contract is entered into. Such information should be requested from NHSSBS. If an appeal regarding the award of a contract has not been successfully resolved the Public Contracts Regulations 2015 provide for aggrieved parties who have been harmed or are at risk of harm by a breach of the rules to take action in the High Court (England, Wales and Northern Ireland). Any such action must be brought promptly.
