General public services

Section II: Object**II.1) Scope of the procurement****II.1.1) Title**

Back office system that integrates with Flowbird Parking Machines

Reference number

DN742064

II.1.2) Main CPV code

- 48000000 - Software package and information systems

II.1.3) Type of contract

Supplies

II.1.4) Short description

Back office system that integrates with Flowbird Parking Machines

II.1.6) Information about lots

This contract is divided into lots: No

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £350,944.24

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKJ34 - Isle of Wight

II.2.4) Description of the procurement

The back office system will be required for the life of the parking machines which is anticipated to be up to 31 March 2028. This is a sole source of supply due to compatibility with Flowbird Parking Machines. A previous VEAT was issued from 2020 - 2024 (2020/S 043-102833). The value set under the initial VEAT has been reached. The purpose of this VEAT notice is to show expected value for the next 4 years up until 31 March 2028.

It is anticipated that a review of the Council's ticket machine requirements will take place well in advance of 31 March 2028.

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Negotiated without a prior call for competition

- The works, supplies or services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

Flowbird Parking Machines that the Council purchased require the Smartfolio back office system as this is the only system that integrates with the Flowbird machines and therefore they are the only provider able to meet this requirement. For as long as the parking machines are in use we will require access to this system which is why the end date is 31/03/2028 as it is anticipated that the Council will have a different approach/situation before this date and it is expected that a review of the Council's ticket machine requirements will take place well in advance of 31/03/2028.

The standstill period will start 06/09/2024 and will finished at midnight on 16/09/2024.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

Section V. Award of contract/concession

A contract/lot is awarded: Yes
