## Section II: Object

### II.1) Scope of the procurement

#### II.1.1) Title

OneLondon Local Health and Care Record Exemplar Dynamic Purchasing System

Reference number

DN441104

#### II.1.2) Main CPV code

- 48000000 - Software package and information systems

#### II.1.3) Type of contract

Supplies

#### II.1.4) Short description

The purpose of this national Local Health and Care Record DPS is to support engagement between technology suppliers and the LHCRE sites and provide a compliant route to market for the procurement of the technology solutions required to build and deliver the strategic plans of any existing and/or future exemplar sites as well as any other existing and/or future health and/or social care record programmes.

Category 3 is being added to this DPS: Implementation Support for Digital Health Systems. This category will support Trusts nationally to procure resources for the implementation (and activities associated with implementation) of digital health systems in the most cost-effective manner. Services offered under this category include supporting Contracting Authorities with the current and future needs in respect of resourcing digital systems in areas relating to implementation including, but not exclusive to, integration, go-live support, data migration, programme management.
