Planning

Delivering Decarbonisation on TfL's Operational Building Estate

Transport for London

F04: Periodic indicative notice – utilities

Periodic indicative notice only

Notice identifier: 2024/S 000-028636

Procurement identifier (OCID): ocds-h6vhtk-0498d8

Published 6 September 2024, 3:15pm

Section I: Contracting entity

I.1) Name and addresses

Transport for London

5 ENDEAVOUR SQUARE

LONDON

E201JN

Contact

Tufail Ahmed

Email

tufailahmed@tfl.gov.uk

Telephone

+44 7521098221

Country

United Kingdom

Region code

UKI - London

Justification for not providing organisation identifier

Not on any register

Internet address(es)

Main address

<https://tfl.gov.uk/>

Buyer's address

<https://service.ariba.com/Supplier.aw>

I.3) Communication

Additional information can be obtained from the above-mentioned address

I.6) Main activity

Urban railway, tramway, trolleybus or bus services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Delivering Decarbonisation on TfL's Operational Building Estate

II.1.2) Main CPV code

- 45000000 - Construction work

II.1.3) Type of contract

Works

II.1.4) Short description

This PIN is issued by Transport for London (TfL), with an accompanying Market Sounding Questionnaire (MSQ) that can be found by following the instructions in section II.2.14. The exercise seeks to obtain market feedback in relation to the design and implementation of decarbonisation measures at TfL operational buildings through TfL's Building Decarbonisation programme.

The objective of TfL's Building Decarbonisation programme is to replace fossil fuel heating assets with low carbon alternatives and deliver measures to improve the energy efficiency of buildings across TfL's operational estate.

Findings from feedback received will inform activities underway to define the pipeline, packaging, and timescales for delivery, in seeking to reduce the carbon footprint of TfL operational buildings to a point as low as reasonably practicable.

TfL is keen to discuss this topic in further detail and may subsequently conduct engagement sessions (which may take the form of 1-2-1s or workshops) with a selection of respondents.

The deadline to submit your response to this PIN through the MSQ is by 17:00 BST Friday 27 September 2024.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 09310000 - Electricity
- 09320000 - Steam, hot water and associated products
- 09330000 - Solar energy
- 50700000 - Repair and maintenance services of building installations
- 51100000 - Installation services of electrical and mechanical equipment
- 51511000 - Installation services of lifting and handling equipment, except lifts and escalators
- 65300000 - Electricity distribution and related services
- 66171000 - Financial consultancy services
- 70332000 - Non-residential property services
- 71210000 - Advisory architectural services
- 71240000 - Architectural, engineering and planning services
- 71250000 - Architectural, engineering and surveying services
- 71314000 - Energy and related services
- 71315100 - Building-fabric consultancy services
- 71315200 - Building consultancy services
- 71315300 - Building surveying services
- 71321200 - Heating-system design services
- 71500000 - Construction-related services
- 79311000 - Survey services
- 90710000 - Environmental management

II.2.3) Place of performance

NUTS codes

- UKI - London

II.2.4) Description of the procurement

TfL is London's integrated transport authority and is part of the GLA family led by the

Mayor of London. It is responsible for delivering the Mayor's aims for transport to, from, and within Greater London. TfL runs most of London's public transport services, including the London Underground (LU), London Buses, the Docklands Light Railway (DLR), London Overground (LO), Trams and others.

In 2020 the Mayor declared a climate emergency and committed to an ambitious target for London to be a net zero carbon city by 2030. TfL has a significant role to play in helping to achieving this, including taking action to decarbonise assets across its vast estate of c.2,400 buildings. At this stage, TfL's Building Decarbonisation programme is continuously being reviewed to realise these targets and commitments.

Please note that this PIN is not an invitation to tender and does not constitute a call for competition to procure any services, supplies, or works. Its purpose is to raise market awareness and gauge market appetite, to allow interested parties with appropriate and relevant experience to express their interest and submit an MSQ response. Participation in the PIN is not a prerequisite to, and will not prejudice, participation in any future competitive process.

The information in this PIN or any communication between TfL and a supplier should not be considered a contract, agreement, or representation that a contract will be offered.

It is to be noted that there is no set objective to release a tender exercise at this stage. If TfL decides to proceed with a procurement exercise, they will publish a separate notice.

Any future procurement will be conducted in accordance with a procedure under the new legislation; Procurement Act 2023.

II.2.14) Additional information

The following instructions explain TfL's e-tendering portal and provide guidance on how interested parties will be able to communicate with TfL in relation to this exercise.

(1) To register or to check if you are already registered to SAP Ariba, log on to <https://service.ariba.com/Supplier.aw>. Interested parties must read the instructions carefully before proceeding with registration. For help on using the SAP Ariba system, please refer to https://support.ariba.com/Adapt/Ariba_Network_Supplier_Training. If the problem persists, please contact Ariba_Supplier_Enablement@tfl.gov.uk.

(2) Once you have registered on SAP Ariba (or are already registered), you must also register on TfL's SAP Ariba system through the following link <https://s1-eu.ariba.com/Sourcing/Main/ad/selfRegistration?realm=TfL>.

(3) Upon completion of steps 1 and/or 2, interested parties must inform the TfL Commercial lead via email (TufailAhmed@tfl.gov.uk) with the following details that have

been registered with SAP Ariba:

- your single point of contact; first name and surname;
- your email address;
- your position in the organisation;
- your organisation name; and
- your applicable vendor ID.

Completion of these steps will enable TfL to invite interested parties to the event in SAP Ariba to gain access to the MSQ, allowing interested parties to submit their MSQ response via SAP Ariba.

Should you experience any problems with the portal please contact TfL Commercial lead.

II.3) Estimated date of publication of contract notice

30 June 2025

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

IV.2) Administrative information

IV.2.2) Time limit for receipt of expressions of interest

Date

27 September 2024

Local time

5:00pm

IV.2.4) Languages in which tenders or requests to participate may be submitted

English
