Port & Dry Dock

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Kishorn East Reclamation and Dry Dock Enlargement

II.1.2) Main CPV code

- 45248200 - Dry docks construction work

II.1.3) Type of contract

Works

II.1.4) Short description

Kishorn Port Limited own and operate the Dry Dock facility at Kishorn. The existing Dry Dock is to be enlarged by forming a cutting 100m long and 60m wide into the rock foreshore. The rock material blasted and removed will be used to reclaim 8.5 hectares of foreshore land to the east of the Dry Dock. Access roads are to be repositioned around the new works. The Contractor will design the blasting elements of the Works. In support of its ongoing operations, KPL is engaging in market research with a view to launching a competitive tender process for works associated with the East Reclamation and Dry Dock Enlargement at a later date for the award of a contract.

II.1.5) Estimated total value

Value excluding VAT: £15,000,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 45112300 - Infill and land-reclamation work
- 45248200 - Dry docks construction work

- 45241000 - Harbour construction works
- 45113000 - Siteworks

II.2.3) Place of performance

NUTS codes

- UKM6 - Highlands and Islands

Main site or place of performance

Kishorn Port & Dry Dock

Kishorn

Strathcarron

IV54 8XA

II.2.4) Description of the procurement

An SPD process will be undertaken to select a maximum of five tenderers.

The aim of this Prior Information Notice is both to research the market to inform the design of the procurement and to give an advanced notice of the planned release of the contract notice which is due in October 2024. Contractors are invited to provide early expression of interest in relation to this opportunity. It is proposed that the scope shall be for the Contractor to undertake the following works: design of rock blasting; processing of rock aggregate; excavation and placement of overburden materials; land reclamation; installation of drainage; construction of new roads, installation of rock anchors; placement of rock armour etc etc etc to provide more detail. The successful contractor will be appointed as Principal Contractor.

II.3) Estimated date of publication of contract notice

25 October 2024

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

Section VI. Complementary information

VI.3) Additional information

If you have experience in this area, please provide as a minimum the following information and submit to Wallace Stone your: Company Name; Contact details including telephone and email address, main point of contact and position in Company. It is anticipated that the Contract Notice, formally commencing the procurement event (including the issue of tender documents), will be issued in October 2024 with anticipated Contract Award in December 2024.

NOTE: To register your interest in this notice and obtain any additional information please visit the Public Contracts Scotland Web Site at https://www.publiccontractsscotland.gov.uk/Search/Search_Switch.aspx?ID=777256.
