## **Section II: Object**

### **II.1) Scope of the procurement**

#### **II.1.1) Title**

Access Control and Security Services

#### **II.1.2) Main CPV code**

- 79710000 - Security services

#### **II.1.3) Type of contract**

Services

### **II.2) Description**

#### **II.2.3) Place of performance**

NUTS codes

- UKI - London

#### **II.2.4) Description of the procurement at the time of conclusion of the contract:**

The initial framework was awarded by Thames Water Utilities Limited in 2014 and novated in 2015 to Bazalgette Tunnel Limited trading as Tideway, as the regulated Infrastructure Provider.

Tideway is a standalone entity with its own license from its regulator, Ofwat, that is responsible for the delivery of the Thames Tideway Tunnel (TTT), which is a significant infrastructure asset.

The overarching role and purpose of the framework agreement is for the provision of access control and security services which will be undertaken in London, UK along the route of the Thames Tideway Tunnel (TTT) to support the delivery of the TTT Project.

Initial framework commencement date was September 2014 and based on the original framework term concludes in September 2024. With the TTT Project now entering its final stages, security provision is still required but on a diminishing scale.

#### **II.2.7) Duration of the contract, framework agreement, dynamic purchasing system or concession**

Duration in months

120

In the case of framework agreements, provide justification for any duration exceeding 4 years

Security capability is still required for an additional 3 year term, in line with planned delivery of key project milestones and overall project completion.

#### **II.2.13) Information about European Union Funds**

The procurement is related to a project and/or programme financed by European Union funds: No

---

## **Section V. Award of contract/concession**

Country

United Kingdom

---

## **Section VII: Modifications to the contract/concession**

### **VII.1) Description of the procurement after the modifications**

#### **VII.1.1) Main CPV code**

- 79710000 - Security services

#### **VII.1.3) Place of performance**

NUTS code

- UKI - London

#### **VII.1.4) Description of the procurement:**

Tideway requires an extension to the current framework agreement to ensure provision of security services is in place up until project completion, currently planned for mid-2027.

It is likely the level of security services required across the 3 year extension term will be on a diminishing scale based on the status of the TTT project.

#### **VII.1.5) Duration of the contract, framework agreement, dynamic purchasing system or concession**

Start date

24 September 2024

End date

25 September 2027

In the case of framework agreements, provide justification for any duration exceeding 4 years:

Framework extension is required for additional 3 years to provide project with on-going security capability. Level of capability will be required on a diminishing scale.

#### **VII.1.6) Information on value of the contract/lot/concession (excluding VAT)**

Total value of the contract/lot/concession:

£4,000,000

#### **VII.1.7) Name and address of the contractor/concessionaire**

G4S Security Services (UK) Limited

Sutton

Country

United Kingdom

NUTS code

- UK - United Kingdom

The contractor/concessionaire is an SME

No

#### **VII.2) Information about modifications**

##### **VII.2.1) Description of the modifications**

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

Tideway requires an extension to the current framework agreement to ensure provision of security capability up until system acceptance, currently planned for mid-2027.

##### **VII.2.2) Reasons for modification**

Need for modification brought about by circumstances which a diligent contracting authority/entity could not foresee.

Description of the circumstances which rendered the modification necessary and explanation of the unforeseen nature of these circumstances:

Continuation of service requirement based on delivery of project milestones and project completion planned for mid 2027. Level of service required on a diminishing scale due to status of TTT project.

### **VII.2.3) Increase in price**

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £45,600,000

Total contract value after the modifications

Value excluding VAT: £49,600,000
