Engagement process description

The Police Fire and Crime Commissioner for Northamptonshire in partnership with Blue Light Commercial are looking to establish a framework for pension administration and software. It is intended that the framework will be divided into two lots 1. Pensions Administration and 2. Pensions Software. Final decisions around the formation of the framework will be made following pre-market engagement. We would like to engage with the market to seek views on our specification and input on the framework and are running sessions for both pensions administration and pensions software on 3rd July 2025. If you would like to be involved and attend one of the market engagement events please contact us at CommercialBD@northants.police.uk indicating your preference for Pension Administration, Pensions Software or both.
