#### **VII.2.2) Reasons for modification**

Need for additional works, services or supplies by the original contractor/concessionaire.

Description of the economic or technical reasons and the inconvenience or duplication of cost preventing a change of contractor:

The modification does not alter the original nature of the actual service being delivered, but instead builds in further provision to extend the Contract for an additional 12 months to 31/3/24. The modification does not exceed 50% of the value of the original contract. The modification is considered by the contracting authority to not be substantial and therefore to be within the exception set out in Regulation 72(1)(e).
