Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Inclusive Smart Solutions Programme

II.1.2) Main CPV code

- 71314000 - Energy and related services

II.1.3) Type of contract

Services

II.1.4) Short description

This Programme aims to achieve change in access to, purchase of, and use of smart energy technologies, products and services among low income and vulnerable consumers.

II.1.6) Information about lots

This contract is divided into lots: No

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £2,750,000

II.2) Description

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

The up to £2.75 million Inclusive Smart Solutions Programme sought to procure a research, design, and development contract to help achieve a step-change in access to, purchase of, and use of smart energy technologies, products and services by low income and vulnerable consumers.

The programme aims to conduct research and engagement with low income and vulnerable consumers to gain a better understanding of the barriers faced in the transition to a smart, flexible energy system. This initial research, along with ongoing consumer engagement, will inform the design, development and testing of a suite of commercially viable innovative solutions that will facilitate increased participation of low income and vulnerable consumers in the emerging smart, flexible energy system.

II.2.5) Award criteria

Price

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No
