#### II.1.4) Short description

The Technical Resources Framework 5th Generation 2024 - 2028 (TRF 5) is designed to provide the Hampshire County Council and Participating Authorities with the provision of temporary specialist technical resources associated with the in-house delivery of projects. The resources will predominantly work within the following sectors:

- Highways engineering (including design, maintenance and construction management)
- Civil Engineering (including structural and geotechnical engineering)
- Project management (in the context of highway projects)

- Quantity surveying
- Transport planning
- Town planning
- Environmental services (including EIA and ecological services)
- · Landscape architecture
- Arboriculture services

This PIN Notice is to notify interested parties of a market engagement event for the retender of the above framework. Further details of the event date and how to register can be found in the Additional Information under Section 11.2.14 of this notice.
