III.1.2) Economic and financial standing

List and brief description of selection criteria

The Scottish Parliamentary Corporate Body (SPCB) uses Creditsafe, an independent provider of online business credit reports, to assess the financial standing of tenderers. Tenderers are encouraged to review their financial performance on Creditsafe and read information about

how that data is collected and used prior to submitting a tender. Information and the opportunity to run a free report can be found at

<http://www.creditsafe.com/products/business-credit-reports/>

If a tenderer does not agree with the credit rating it has been given by Creditsafe it can provide supporting evidence to demonstrate its current position and this will be taken into account when the financial standing is being assessed.

If a tenderer is not listed on Creditsafe, for whatever reason, then it may be asked to submit equivalent accounts to enable the required assessment of financial standing to be carried out.

Tenderers should have a Creditsafe credit rating of 40 or higher to demonstrate satisfactory financial standing. If a tenderer has a lower credit rating score and has the backing of a parent company with a credit rating of 40 or higher, then the provision of a Parent Company

Guarantee prior to the award of any contract will be acceptable. If a tenderer has a lower credit rating score and no evidence to support a stable or improved financial standing then the tender may be rejected.

A summary of the expected community benefits has been provided as follows:

The SPCB complies with The Procurement Reform (Scotland) Act 2014 and is committed to ensuring that environmental, social and economic issues are considered when planning, procuring and managing service delivery. There will be a non-scored question within the tender schedules and this will allow the Contractor to demonstrate what added value in the form of community benefits they will bring if successful in being awarded the Contract. Prior to contract award, the successful bidder and Contract Manager will agree a community benefits action plan based on the bidder's proposals, setting out specific objectives and outcomes to be achieved to support the delivery of community benefits and thereafter the Contractor must report on progress and successful outcomes as part of the annual review meetings.
