Section II: Object

II.1) Scope of the procurement

II.1.1) Title

York Station Frontage Package 3 Works

Reference number

REQ1000244

II.1.2) Main CPV code

- 45000000 - Construction work

II.1.3) Type of contract

Works

II.1.4) Short description

York station is located on the East Coast mainline ELR ECM4/5 at Mileage 188m 40c/0m 00c respectively. It is a category A Station in accordance with DFT listing it as a national hub to the East Coast Mainline rail network.

LNER Estates are partnering with City of York Council for the delivery of the York Station Gateway to undertake the design development and construction of Package 3 for the proposed York Station Frontage works.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKE21 - York

II.2.4) Description of the procurement

The appointment of the Contractor will follow a single action tender process. This requires tenderers to submit proposals in accordance with the information detailed within the ITT documents.

The contracting philosophy for the project is the implementation of an NEC4 Engineering and Construction Contract Option A: Priced Contract with Activity Schedule.

The Contractor will have single point responsibility for the design, procurement and construction of the Works. The detailed designs will be developed by the Contractor appointing their own team of suitably experienced and capable consultants and may be assisted by specialist sub-contractors and suppliers as deemed appropriate by the Contractor.

The proposed works are to be undertaken at York Railway Station. The Client's requirements have been set out in the ITT Scope and Specification and associated design pack.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

End date

30 July 2027

This contract is subject to renewal

No
