This notice relates to the permitted modification of existing contracts under the Provider Selection Regime (2023), to enable additional access to Mandatory Dental Services (MDS) within NHS Surrey Heartlands ICB on a recurrent basis, in response to recent

contract terminations and in accordance with the NHS 2023/24 priorities and operational planning guidance requirement to "Recover dental activity, improving units of dental activity (UDAs) towards pre-pandemic levels".

The Commissioner considers that the modifications are permitted by Regulation 13(1)(c) of the Provider Selection Regime (2023), where the modification has been made in response to external factors beyond the control of the authority and the provider, and that the modifications do not render the contracts materially different in character. The scope of the contract has not been extended as the services provided remain materially the same.

This notice has been published in line with Regulation 13(4)(c) and Schedule 12 of the Provider Selection Regime (2023).

Surrey Heartlands ICB entered into a rapid commissioning process to secure additional Mandatory Dental Services activity. This process sought NHS dental providers to deliver increased activity in the form of additional, recurrent Units of Dental Activity (UDAs) as a variation to their existing contract for Mandatory Dental services, in one or more geographic priority areas.

Priority areas were identified based on additional activity requirements. The priority areas identified in Surrey Heartlands ICB were 5B3-4 Woking and 5B4-03 Elmbridge
