Water

Section II: Object**II.1) Scope of the procurement****II.1.1) Title**

CRM & Billing System

II.1.2) Main CPV code

- 72212445 - Customer Relation Management software development services

II.1.3) Type of contract

Services

II.1.4) Short description

Portsmouth Water is seeking to undertake the implementation of a hosted replacement Customer Relationship Management (CRM) and billing system. This will revolutionise our relationship with our customers, providing the capability to present insightful data to customers and deliver superior service levels.

Most importantly, the delivery of the new CRM system capable of leveraging smart metering capabilities, is a critical enabler for realising the benefits of rolling out smart metering in Portsmouth Water's supply area to meet our water resources challenges.

II.1.5) Estimated total value

Value excluding VAT: £10,000,000

II.1.6) Information about lots

This contract is divided into lots: No

- UKJ - South East (England)

Main site or place of performance

SOUTH EAST (ENGLAND)

II.2.4) Description of the procurement

Portsmouth Water is seeking to undertake the implementation and hosting of a replacement CRM and billing system. This will revolutionise our relationship with our customers, providing the capability to present insightful data to customers and deliver superior service levels. Most importantly, the delivery of the new CRM system capable of leveraging smart metering capabilities, is a critical enabler for realising the benefits of rolling out smart metering in Portsmouth Water's supply area. The increased data and analytics that the smart programme will deliver, including granular customer usage insight, is a crucial component in engaging our customer base to reduce demand and achieve our water savings.

II.3) Estimated date of publication of contract notice

11 November 2022

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

Section VI. Complementary information

VI.3) Additional information

This is not a call for competition and no expressions of interest are required at this time. This notice forms part of Portsmouth Water's pre-market engagement and solely to give advance notice of our intent to issue a further Contract Notice when full details will be made available.

Please note the estimated value includes all possible extensions and options for the duration of the the proposed scope (including hosting and future licensing) with potential to cover at least two Asset Management Plan (AMP) periods (up to 2035) and is not an annual value.
