II.2.4) Description of the procurement

To review the current Security service at Charles Darwin Shopping Centre with recommendations for changes to operating schedules are encouraged where you believe improvements / cost savings may be made. Any equipment deemed necessary to achieve the required standards must be provided by the contractor and costs recovered throughout the term of the contract. Tenders will include a full cost breakdown, equipment information, operational plan, start-up programme, health and safety policies, management supervision, reporting and measuring tools and relevant training policy on any equipment which will be beneficial or economical.

The Cleaning & M&E team are now in house and will not form part of the contract, however, it is expected that the security provider will work closely with these departments to ensure the Shopping centre operates safely.

We are looking to work in partnership with the incoming provider to reduce the impact of our property on the environment and promote sustainability with the aim to enter industry recognised awards. Certification to ISO 14001/18001 or higher (or equivalent) is necessary to fulfil these criteria.

The appointment will be for 3 years, commencing on 1 January 2025 with an option to extend for a further two year period. The value of this contract is approx.. £500k per annum.

It is believed that a TUPE transfer of the current team will apply in the award of the contract but bidders must take their own advice in this regard.
