Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

The Institute of Medical Genetics within Cardiff and Vale LHB purchased an Optia Cell Separator Machine a number of years ago. The kits are specific to the Terumo BCT machines already installed within the Health Board. To change these machines would be at an extra cost to the Health Board at present which is not viable and during the current climate the Health Board cannot disrupt blood services. The machine can handle 48 samples at a time and is the only large volume blood extractor that is in the laboratory. The kits are required to undertake the process.
