1951

II.1.2) Main CPV code

- 72260000 - Software-related services

II.1.3) Type of contract

Services

II.1.4) Short description

SSEN Transmission wish to implement a solution to provide the capabilities associated with Integrated Project Management (IPM), to support the delivery of our RIIO-T2 commitments. This will allow us to significantly enhance our delivery and project management capabilities. Our vision is to enable a high level of user experience with all the digital tools needed to achieve high performance delivery and support the scaling of the business in line with the large capital projects growth agenda.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

SSEN Transmissions view IPM as the deployment of all the key project management capabilities, integrating them through a suite of products ensuring that the right digital capabilities are in place to execute end-to-end management of the delivery lifecycle. IPM

is more than just one capability; it is the design and integration of a set of capabilities that delivers the key benefits across the total lifecycle of project management.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months
