Region code

UKI32 - Westminster

Companies House

09111801

Internet address(es)

Main address

<https://www.tpexpress.co.uk/>

I.3) Communication

Access to the procurement documents is restricted. Further information can be obtained at

<http://redirect.transaxions.com/events/A8aRC>

Additional information can be obtained from the above-mentioned address

Tenders or requests to participate must be submitted to the above-mentioned address

I.6) Main activity

Railway services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

TPE - Introduction of desktop Simulators(x8) to deliver ETCS Level 2 Driver training, in support of the TransPennine Route Upgrade.

II.1.2) Main CPV code

- 34000000 - Transport equipment and auxiliary products to transportation

II.1.3) Type of contract

Supplies

II.1.4) Short description

Proposed improvements as part of Transpennine Route Upgrade (TRU) will deliver an opportunity for signal infrastructure upgrades by the end of 2029 between Manchester and York via Huddersfield and Leeds introducing ETCS (European Train Control System) operation over sections of the newly improved infrastructure allowing more trains and faster journey times between Leeds and Manchester. To support acquisition of Level 2 knowledge for its Driver workforce via simulation, TPE will require 8 desktop devices to be procured, allowing simplified mobilisation of training at its affected TRU depots.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 48000000 - Software package and information systems

II.2.3) Place of performance

NUTS codes

- UKC - North East (England)
- UKD - North West (England)
- UKE - Yorkshire and the Humber

- UKF - East Midlands (England)
- UKG - West Midlands (England)
- UKH - East of England

Main site or place of performance

These devices will require a high degree of portability to allow training to be taken to a number of out-based locations/depots within TPEs network. This is key to ensuring prompt and consistent training delivery, to achieve agreed final ETCS migration milestones for Network Rail infrastructure .

II.2.4) Description of the procurement

TPE requires x8 Desktop simulator devices to support its competence and assessment requirements for the introduction of Level 2 ETCS on TRU. Based upon current key milestones, it's assumed these devices would need to be delivered by mid-2026 to allow internal training and development ahead of utilisation, mid 2027.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Negotiated procedure with prior call for competition

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

IV.2) Administrative information

IV.2.2) Time limit for the receipt of applications for an invitation to tender or to negotiate

Date

14 November 2022

IV.2.4) Languages in which tenders or requests to participate may be submitted

English

Section VI. Complementary information

VI.4) Procedures for review

VI.4.1) Review body

High Court

London

Country

United Kingdom
