Reference number

DN751134

II.1.2) Main CPV code

- 85312500 - Rehabilitation services

II.1.3) Type of contract

Services

II.1.4) Short description

This is a contract awarded under the The Health Care Services (Provider Selection Regime) Regulations 2023 Direct Award C.

The contract will commence on 1 July 2025 and the initial term will be 3 years until 30 June 2028. There is an option to extend the contract for up to a further 2 years at the sole discretion of the Authority. The total estimated value of the contract is £8451915.00 including the possible extension period.

The contract is for the provision of a community drug and alcohol service on the Isle of Wight for adults and young people.

The service will be recovery-oriented, outcomes-focused, evidence based and tailored to meet the needs of individuals and communities to empower people to lead drug / alcohol free lives where possible. The service will need to be proactive and responsive to new trends in substance use (illegal, legal, or other) throughout the life of the contract.

Text

This is a Provider Selection Regime (PSR) intention to award notice. The awarding of this contract is subject to the Health Care Services (Provider Selection Regime) Regulations 2023. For the avoidance of doubt, the provisions of the Public Contracts Regulations 2015 do not apply to this award. The standstill period begins on the day after the publication of this notice. Representations by providers must be made to decision makers by 20 November 2024. This contract has not yet formally been awarded; this notice serves as an intention to award under the PSR

The Award decision makers were: Isle of Wight Council Public Health Team

The relative importance of the Key Criteria used by the authority were;

Quality and Innovation 35%

Value 18%

Integration, collaboration, and service sustainability 15%

Improving access, reducing health inequalities, and facilitating choice 21%

Social value 11%

The rationale for this was based on the detailed list of all requirements according to available guidance including factoring in the relative weighting from the original tender submission

and building on the learning from this.

The scoring methodology was based on meeting a satisfactory level and this was on a Yes/No basis. The supplier met this for each of the key criteria.
