II.1.4) Short description

Rutland County Council is intending to procure its Grounds Maintenance and Forestry Services in the course of 2022 by further competition via YPO 881 Grounds Maintenance Dynamic Purchasing System (DPS).

Timetable

The intention is to launch the further competition in February 2022, award by no later than December and for the contract to commence April 2023.

Decision

Please note: the start date of the further competition is subject Council decision in early December. Whilst its anticipated that the procurement will commence February 2022, it's possible the project could be postponed until a later date. The commencement date of the contract may also be pushed back as a result.

Requirements

The Council's GM requirements include grass cutting, maintaining hedges, shrubs and

borders and other grounds maintenance tasks typical of a local authority.

The Council's Forestry requirements include planned, reactive and specialist arboricultural services, including responding to emergency tree falls.

Further details will appear in the Council's specifications published with the further competition documents.

Interested parties

Interested parties are directed to YPO's website where they will learn more about the requirements and process to join the DPS in readiness for this procurement.

Signing up to the DPS

Suppliers must be signed up to the DPS before they can be invited to participate in a further competition. The on-boarding process to the DPS is relatively swift and similar to the first stage of a tender. It is concerned with regulatory compliance and meeting specified minimum standards for the sector in question.
