Marine Solutions

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Scottish Marine Technology Park - Design of a Heavy Lift Quay

II.1.2) Main CPV code

- 71320000 - Engineering design services

II.1.3) Type of contract

Services

II.1.4) Short description

This contract is for the design of a heavy lift quay at the Scottish Marine Technology Park, including design services, preparation of contract documents for tendering the construction works contract and potentially site supervision services.

II.1.5) Estimated total value

Value excluding VAT: £300,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 71320000 - Engineering design services

II.2.3) Place of performance

NUTS codes

- UKM81 - East Dunbartonshire, West Dunbartonshire and Helensburgh & Lomond

Main site or place of performance

The SMTP site is located on the north bank of the River Clyde in Old Kilpatrick at NS 46859 71851, approximately 1km south-east of the Erskine Bridge.

II.2.4) Description of the procurement

Clyde Mission is a Scottish Government-led initiative developed and delivered by a range of partners across a variety of sectors. It is driving forward a national, place-based, mission to make the Clyde an engine of sustainable and inclusive growth for the city, the region and Scotland.

Malin SPV 2 Ltd has entered into a Development Agreement (DA) with West Dunbartonshire Council and Malin Group Ltd which provides for Clyde Mission funding to undertake works required to further the development of the Scottish Marine Technology Park (SMTP) at the site of the former Ministry of Defence Oil Terminal at Carless, Old Kilpatrick.

A key element of the enabling infrastructure that is funded by the Clyde Mission is the design and construction of the first phase of a new Heavy-Lift Quay. This contract is for the design of the heavy-lift quay including preparation of contract documents for tendering the construction works and potentially site supervision services.

II.2.5) Award criteria

Quality criterion - Name: Technical / Weighting: 20

Price - Weighting: 80
