Each ICB represents to a individual Lot.

NHS Suffolk and North East Essex ICB is not responsible or liable for any of the Lots or subsequent contracts awarded under this process, except for Lot 11 (NHS Suffolk and North East Essex ICB).

Service commencement for each lot is from 1st April 2025, with a mobilisation requirement from January 2025. The duration of each contract will be five (5) years, with the option to extend twice, each for up to an additional 24-month period. For each lot, a contract will be awarded to a single supplier. The form of contract used is the NHS Terms and Conditions for the Supply of Goods and the Provision of Services (Contract Version).

There is no restriction on the number of lots that can be bid for, however, suppliers must consider their financial and organisational capacity to deliver the contract requirements and specification. Bidders also need to consider the mobilisation requirements as any contract that is bid for will need to be mobilised from January 2025 onwards with service commencement date from 1st April 2025.
