The high levels of achievement mean the College is a perfect stepping stone to university, apprenticeships and employment.

Judged to be 'Outstanding' by Ofsted – a clear indication of the excellent results their students consistently achieve – the College expects an excellent level of service from key suppliers.

With over 2,000 students and approximately 200 staff the college is busy throughout the academic term and has a very active lettings business that operates through the year. Prospective bidders need to be aware of the year round demands the college has to manage and be agile in response to peaks and troughs in their business.
