Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions

Question 4A.1 – Bidder is required to provide a certificate from the registrar of companies stating that he is certified as incorporated or registered or, where he is not so certified, a certificate stating that the person concerned has declared on oath that he is engaged in the profession in a specific place under a given business name.

Must be regulated by the FCA.

Question 4A2A and 4A2b

III.1.2) Economic and financial standing

List and brief description of selection criteria

Question 4.B.5.1 - It is a requirement of this contract that bidders hold, or can hold, or can commit to obtain prior to the commencement of any subsequently awarded contract, the types and levels of insurance indicated below:

Employers (Compulsory) Liability Insurance minimum of GBP5m

Public Liability Insurance minimum of GBP5m

Professional Indemnity Insurance minimum of GBP5m

Question 4B.6 - The Authority will use the independent credit scoring organisation, Creditsafe, to check the financial status of the Bidders. To minimise risk of failure, the desired risk score should be 'Below Average Risk' as a minimum. The Council will take a view on the risk to the project should your credit rating fall below this and may involve further detailed financial checking/assessment.

Minimum level(s) of standards possibly required

Employers (Compulsory) Liability Insurance minimum of GBP5m

Public Liability Insurance minimum of GBP5m

Professional Indemnity Insurance minimum of GBP5m

III.1.3) Technical and professional ability

List and brief description of selection criteria

Question 4C.1.2 – relevant experience

Question 4C6 Educational and professional qualification

Question 4C.7 – environmental management measures

Question 4C.10 - Subcontract, if so, for what proportion of the contract.

Question 4D.1 – Documented arrangements for providing the bidder's workforce with quality related training and information appropriate to the type of work for which this organisation is likely to bid.

Question 4D.2 - A regularly reviewed documented policy regarding environmental management

Minimum level(s) of standards possibly required

Question 4C.1.2 – Bidders will be required to provide 3 examples that demonstrate that they have relevant experience to deliver the service as described in part II.2.4 of the Contract Notice and Appendix 1 of the ITT.

Questions 4C.6 Must be FCA approved/Regulated

Question 4C.7 – Bidders will be required to confirm that they will employ environmental management measures that meet the following requirements:

-Compliance with all current and foreseeable waste legislation where the Waste Hierarchy is not undermined, including the Waste (Scotland) Regulations 2012.

-Compliance with the requirements of the appropriate Environment Agency and Planning Authority and in accordance with Waste Management Licences, Pollution Prevention and Control (PPC) permits, Planning Conditions, and all other statutory obligations and legal permits, permission and consents which apply for such provision.

- Should any recyclables need to be exported the Contractor shall guarantee that any recyclables to be exported are done so in accordance with Annex 2 of the Council Regulation (EEC) No. 259/93 on the supervision and control of shipments of waste within, into and out of the European Community (the "Green List") or any subsequent updates or additions to this legislation during the Contract Period.

Question 4C.9 - Bidders will be required to demonstrate that they have (or have access to) the relevant plant or technical equipment to deliver the requirements detailed in II.2.4 of the OJEU Contract Notice and Appendix 1 of the ITT.

Question 4C.10 - Bidders will be required to confirm whether they intend to subcontract and, if so, for what proportion of the contract.

Question 4D.1 – The bidder must have the following:

Documented arrangements for providing the bidder's workforce with quality related training and information appropriate to the type of work for which this organisation is likely to bid. This will demonstrate that the organisation has in place, and implements, training arrangements to ensure that its workforce has sufficient skills and understanding to discharge their various responsibilities. These must include a programme of training that will keep the workforce up to date with required knowledge about quality related issues, including copies of job profiles; training manuals and records; and

A documented process demonstrating how the bidder deals with complaints. The bidder must be able to provide details of how their organisation maintains records of any complaints received and how corrective measures are carried out to prevent reoccurrence.

The bidder must have a regularly reviewed and documented policy for Health and Safety (H&S) management, endorsed by the Chief Executive Officer, or equivalent. The policy must be relevant to the nature and scale of the work and set out responsibilities for H&S management at all levels within the organisation. The policy must be relevant to the nature and scale of your operations and set out your company's responsibilities of health and safety management and compliance with legislation.

Question 4D.2 - The bidder must have the following:

A regularly reviewed documented policy regarding environmental management, authorised by the Chief Executive, or equivalent. This policy must include and describe the bidder's environmental emergency response procedures, including the preparedness and response procedures for potential accidents and emergency response situations that give rise to significant environmental impacts (for example hazardous substances spill control).

III.2) Conditions related to the contract

III.2.1) Information about a particular profession

Execution of the service is reserved to a particular profession

Reference to the relevant law, regulation or administrative provision

Must be regulated by the FCA

III.2.2) Contract performance conditions

Bidders must be able to provide an Account Representative, who will be the primary point of contact between the Bidder and the Council. Contract management and performance review provisions are further detailed below:

The Council will review the performance of the Services from time to time to ensure that they continue to meet the requirements of the Council. The quality of the Services shall be measured by the extent to which they accord with the standards and timescales included within the Specification and the Response and to accepted professional standards.

Routine Contract Performance meetings will take place between the Supplier and the Council every 3 months. The Account Representative will be required to attend these. The frequency of these meetings may be adjusted if required. Ad-hoc meetings may be convened by the council where considered necessary to ensure that the Service is performed in accordance with the statement of requirements and regulatory requirements.

III.2.3) Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract
