---

## **Engagement**

### **Engagement deadline**

9 May 2025

The engagement was carried out before this notice was published.

## **Engagement process description**

Transport for London's Woolwich Ferry Commercial team began a market engagement process in Early April consisted of market sounding questionnaire to known suppliers of these specific engines. Suppliers were given one week to submit responses to general questions the project team had queried to better understand the requirement.

TfL commercial followed up with any additional questions as and when they arose; borne from the project, risk and commercial progress meetings.
