HCL is dedicated to consistently delivering an exemplary service, by focusing on improving their customers' experience with every meal. HCL currently has an existing contract in place for the supply of fresh produce, but this will expire soon. The current contract covers the full range of fruits, vegetables, dairy, seasonings and spices. This Pre-Procurement Market Engagement (PPME) provides an opportunity to research the options that are available in the market which have the potential to meet our needs and enhance our menu as a whole. This is an opportunity for HCL to engage with the market to establish the potential variety of fresh produce which may be available and to explore new ideas that meet HCL's requirements as stated above.
