Health

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Supply and Maintenance of new and existing Cell Selection Systems

II.1.2) Main CPV code

- 33141570 - Human blood

II.1.3) Type of contract

Supplies

II.1.4) Short description

This Prior Information Notice (PIN) is separate to any tender opportunity. The Cellular & Molecular Therapies (CMT) laboratories within NHS Blood and Transplant (NHSBT) provide a range of services to support haemopoietic stem cell transplantation including collection, processing, and cryopreservation of stem cells. An important part of the services offered by CMT is the purification of stem cells and depletion of other cells, such as CD3+, TCR??, CD19+ cells, that may cause complications in the transplant procedures.

The purpose of this notice is to:

- Alert potential suppliers that NHSBT intends to award a contract for the supply of consumables and maintenance of existing equipment and in addition potential purchase of new equipment & maintenance in the future if demand increases.
- Develop NHSBTs understanding of the capabilities, dependencies and competitiveness of the marketplace and the ability of industry to provide the required level of support.

Please express your interest by the 2nd October 2024 and direct any questions to

tennille.madigan@nhsbt.nhs.uk

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)
