Bournemouth Christchurch and Poole Council has created a framework for removal companies to transport items as identified from one Council office to another.

The Office Removal Services Framework consists of three companies capable of delivering removals services as outlined in this specification.

The ranking of the suppliers on the framework will be re-assessed prior to 1 January each year commencing 1 January 2024. This will then determine the ranking of the suppliers under the framework for the next year of the framework.

The Council does not expect the first ranked supplier will be available for every move due to availability, there may be occasions when several office moves happen over the same time period. It is for this reason a framework of up to three suppliers has been decided on rather than just a single supplier.
