PA00002829

Description

Working with procurement an ITQ was issued to 8 contractors. One quote was received well above budget and was rejected. On the advice of the procurement team and working with the project Architect all 8 were considered again, some were approached and two historic building contractors were asked to quote. Two quotes were received and although above budget they were comparable. R & J Hogg were the lowest of the three quotes received and are the preferred contractor subject to funding.
