Mission Critical Messaging Communication System

Reference number

DBTH-CAP-CB-2021-22-1096

II.1.2) Main CPV code

- 64216100 - Electronic message services

II.1.3) Type of contract

Services

II.1.4) Short description

The Trust would like to invite providers to take part in market engagement meetings to help develop its understanding of the current market and to help develop its final specification for a system to provide mission critical messaging to the on-site and off-site teams. This is an essential tool in the operation of the Trust and in delivering critical services such as crash calls and other emergency responses. This service will be required to work across the whole site, inside and on the grounds. Interested providers should send an expression of interest via the Atamis Portal https://health-family.force.com/ProSpend_eSourcing_Community_Registration?locale=uk. Market engagement meetings will take place in January 2022. Please note the Trust reserves the right not to invite any providers who do not currently work in this market.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKE3 - South Yorkshire

Main site or place of performance

Doncaster

II.2.4) Description of the procurement

The Trust would like to invite providers to take part in market engagement meetings to help develop its understanding of the current market and to help develop its final specification for a system to provide mission critical messaging to the on-site and off-site teams. This is an essential tool in the operation of the Trust and in delivering critical services such as crash calls and other emergency responses. This service will be required to work across the whole site, inside and on the grounds. Interested providers should send an expression of interest via this portal. Market engagement meetings will take place in January 2022. Please note the Trust reserves the right not to invite any providers who do not currently work in this market.
