Section VII. Changes

VII.1) Information to be changed or added

VII.2) Other additional information

The Authority has reviewed its decision to award the contract following concerns that have recently been raised. Following this review, it has become apparent that the Authority cannot continue with the award as to do so would place it in breach of its obligations under DSPCR 2011, specifically in relation to the obligations relating to technical standards.

As a result, the Authority will not be awarding the contract and shall now take steps to correct this.
