#### **PRIMARY BENEFICIARIES ENTITLED TO ACCESS THE AGREEMENT**

The initial Contract(s) awarded will be between the Authority and the Successful Supplier following the evaluation and approval process. However, all other primary beneficiaries of this Contract shall be entitled to join this agreement throughout the duration of the contact term as detailed within section A of the ITT

The primary beneficiaries of this Contract will be the Nottingham and Nottinghamshire Integrated Care System (ICS) Organisations (?ICSO?) as detailed below:

-Nottinghamshire Healthcare NHS Foundation Trust

-Sherwood Forest Hospitals NHS Foundation Trust

-Nottingham University Hospitals NHS Trust

-East Midlands Ambulance Service NHS Trust??

-Nottingham City Care Partnership

-Others as defines <https://healthandcarenotts.co.uk/about-us/our-partners/>

The aim of Nottingham and Nottinghamshire ICS is to deliver sustainable, joined-up high quality health and social care services that maximise the health and wellbeing of the local

population of more than a million, improve the care provided and tackle the growing pressure on budgets.

It is intended that any wholly owned subsidiaries of any of the ICSOs within the ICS will have the ability to purchase from the Contract agreement.

Any future ?successors in title? of any ICSO will be able to utilise the Contract. For the avoidance of doubt, ?successors in title? will include any successor to the Contracting Authorities and/or any organisation or entity which has taken over the functions and responsibilities of the Contracting Authorities within the ICS. The expression ?successors in title? also includes any organisation or separate legal entity that is formed as a result of the Contracting Authorities merging with or taking over or acquiring (or Contracting Authorities being taken over or acquired by) any other public body (including, without limitation, any other NHS Trust or NHS Foundation Trust).

All ICSO may utilise this Contract without a stated commitment to the volumes of goods and services they will purchase as part of the agreement.

Although the aim of this Contract is to provide access to an agreement that any ICSO can utilise to help drive economies of scale and a standardised approach, nothing in this Contract shall prohibit any ICSO from entering into contractual arrangements outside this agreement
