As described within the contract notice, the Authority may wish to introduce additional and/or expand services during the lifetime of the contract (“Contract modification(s)”). Such contract modifications will be contemplated where additional requirements are similar and or complementary to the services already included in the Specification, at any given time. Such expansion would be by the addition of services commissioned by the Authority and / or other Contracting Authorities, as named in the Contract Notice.

To this end, after the award of contract, there is a possibility that the successful Bidder may be offered a variation to the contract to extend some / or all of the service lines across the other ‘places’ within the boundary of The Authority, specifically East & North Herts place and/or South and West Herts place services in accordance with Regulation 72 (1) (a) of the Public Contracts Regulations 2015 (as amended The Public Procurement (Amendment etc.) (EU Exit) Regulations 2020). The value identified in this notice is the potential maximum aggregate value which includes the additional / expansion of services described above.

The contract is for a period of 3-years with the option to extend for a further 2-years (1st December 2023 to 30th November 2026 with the option to extend from 1st December 2026 to 30th November 2028).

The value indicated within this notice is the potential maximum aggregate value which includes the additional / expansion of services and the potential extension option as described above. The awarded value of the initial 3-year contract is £2,334,212 (exclusive of VAT).
