Topics will be discussed in interactive, community accessible way to adult community participants who may (or may not) have limited formal education and limited/no prior knowledge. This project is under the Celebrating Cultures and Diversity Theme. Arising from the Co-design process across the District, this project should strive to bring key benefit across the entire council area including rural and urban areas. The project will also encourage cross-border participation. The Co-Design process indicated a need to build on the PEACEIV Decade of Centenaries work and a continued interest in history.
