Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Overhead Gantry Crane - Supply & Installation - ORE/22/096

Reference number

DN630844

II.1.2) Main CPV code

- 42000000 - Industrial machinery

II.1.3) Type of contract

Supplies

II.1.4) Short description

ORE Catapult is extending its operations at its site in Blyth, Northumberland to create the Technology Development Center (TDC).

The scope of service for the project is for the design, manufacture, installation and commissioning of an overhead gantry crane within the TDC building. The installation of the crane will form part of the wider upgrades to the TDC facility and as such, the supplier shall be expected to liaise with the building's main contractor (to be advised) and the ORE Catapult Project Manager with regards any preparation works and the installation and commissioning of the crane.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 34142000 - Crane and dumper trucks

II.2.3) Place of performance

NUTS codes

- UKC2 - Northumberland and Tyne and Wear

II.2.4) Description of the procurement

ORE Catapult is extending its operations at its site in Blyth, Northumberland to create the Technology Development Center (TDC).

The scope of service for the project is for the design, manufacture, installation and commissioning of an overhead gantry crane within the TDC building. The installation of the crane will form part of the wider upgrades to the TDC facility and as such, the supplier shall be expected to liaise with the building's main contractor (to be advised) and the ORE Catapult Project Manager with regards any preparation works and the installation and commissioning of the crane.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

12

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: Yes

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Place

Glasgow, Scotland

Information about authorised persons and opening procedure

Tenders shall be opened and verified by two (2) members of the ORE Catapult Procurement Team

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: No

VI.4) Procedures for review

VI.4.1) Review body

Royal Courts of Justice

London

Country

United Kingdom

VI.4.2) Body responsible for mediation procedures

Royal Courts of Justice

London

Country

United Kingdom

VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

In the first instance, all appeals should be promptly brought to the attention of the contact specified in Section I above, and will be dealt with in accordance with the requirements of the Public Contracts Regulations 2015. Any appeals must be brought within the timescales specified by the applicable law, including without limitation, the Public Contracts Regulations 2015. In accordance with the Public Contracts Regulations 2015, the contracting authority will also incorporate a minimum 10 calendar day standstill period from the date information on award of contract is communicated to tenderers.

As the UK does not have any special review body with responsibility for appeal/mediation procedures in public procurement competitions, any challenges will be dealt with by the High Court, Commercial Division, to which proceedings may be issued regarding alleged breaches of the Public Contracts Regulations 2015.
