II.1.4) Short description

Sport Wales is inviting proposals from qualified vendors for the procurement of an Athlete Management System (AMS). The AMS will be used to manage and support our athletes' development and performance across various sports disciplines.

Sport Wales has been utilising an Athlete Management System (AMS) for the past three years to enhance the management, monitoring, understanding and development of athletes across various sports disciplines. The existing AMS has provided a solid foundation for tracking performance, managing athlete data, and facilitating communication between coaches and athletes. As we look to the future, Sport Wales is seeking to procure an upgraded or equivalent AMS that not only maintains the continuity of the current services and functionalities but also introduces enhancements that align with our evolving needs and strategic objectives.
