II.2.3) Place of performance

NUTS codes

- UKL22 - Cardiff and Vale of Glamorgan

Main site or place of performance

Cardiff University Henry Welcome Building and Tenovus Building

II.2.4) Description of the procurement

The supply of a new 850 kVA standby (770kVA Prime) generator and associated equipment/services to replace the existing 600 kVA diesel generator and associated delivery system, electrical changeover systems and controls, flue, components, pumps and controls with new.

The installation of the new 850 kVA generator will be within the existing generator plant room location within the Henry Welcome Building University Hospital of Wales site, 4-5 Heath Park Way, Cardiff, CF14 4XW in the basement area of the building.

The careful removal from site of the existing 600 kVA generator for re-use then to service, maintain and overhaul this existing generator, provide for the design and supply of additional fuel tank and associated components (including all ancillaries as specified within this package) , re-installing the fully refurbished 600 kVA generator within a new weatherproof acoustic enclosure, transporting back to site, relocating and installing this equipment to a new position at rear of Tenovus building, providing associated controls and interconnecting cabling to provide emergency automatic start/manual change-over power back-up arrangements to the Tenovus Building Electrical supply.

Construction, refurbishment, installation, Commissioning and Acceptance into Service Phases of BOTH generator sets completed by 31st August 2022.

12month defects liability period (including the 12month comprehensive warranty period) completed by 30th September 2023.

VI.4.1) Review body

High Court

Royal Courts of Justice, The Strand

London

WC2A 2LL

Telephone

+44 2079477501

Country

United Kingdom

VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

Cardiff University will incorporate a standstill period at the point information on the award of the contract is communicated to bidders.

That notification will provide full information on the award decision. The standstill period, which will be for a minimum of 10 calendar days, provides time for unsuccessful bidders to clarify or query the award decision before the contract is entered into. The UK Public Contracts Regulations 2015 provide for aggrieved parties who have been harmed or at risk of harm by a breach of the rules to take action in the High Court (England, Wales and Northern Ireland).
