VI.3) Additional information

Uniphar Medtech t/a Tekno Surgical is the "sole-provider" for the provision of maintenance of the equipment covered by this DAC.

Further, this service is required from this supplier to facilitate completion of the award of regional contracts for maintenance of diagnostic imaging equipment. PaLS SMC Team advised by email of 21/06/2024 that "we are presently in the renewal process of the above contract with NHS Supply Chain. We have encountered some delays to this process, and thus the proposed renewal date of 1st September is no longer achievable.

The duration of this contract will be for 6 months (01/09/2024 - 28/02/2025), in order to facilitate completion of the regional tender. A facility for a further 6 months' extension i.e. a maximum contract duration of 1 year (01/09/2024 - 31/08/2025), in the event of regional non-award. The contract would be terminated in the event of a regional or BHSCT award.

The maximum value of the initial 6 month period has been estimated as £30,000.

The maximum value of the potential 6 month extension period has been estimated as £30,000 (calculated based on the total estimated value for the initial 6 month period, with an allowance in case of increased prices).
