National or federal Agency/Office

I.5) Main activity

Health

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Wound Drainage, Autologous Blood Systems and Accessories

II.1.2) Main CPV code

- 33140000 - Medical consumables

II.1.3) Type of contract

Supplies

II.1.4) Short description

The scope of this Framework Agreement is to cover the supply of products and their associated consumables and accessories for Wound Drainage, Post Operative and Intra Operative Autologous Blood System products.

This Prior Information Notice is for a 1 year (with option to extend for up to 12 months) contract Framework Agreement for products that fall into the Wound Drainage and Autologous Blood Systems category. The intention for this procurement is to align this Framework Agreement with a merged opportunity that also has a PIN in the market – Suction Consumables, Wound Drainage, Autologous Blood Systems and Accessories (2023/S 000-004236). If you have products that suit this particular procurement, please be aware of the other opportunity that you should also register interest for: <https://www.find-tender.service.gov.uk/Notice/004236-2023>

Precise quantities are unknown. It is anticipated that initial expenditure will be circa £3,450,000 in the first year of this Framework Agreement; however, this is approximate only and the values may vary depending on the requirements of those bodies purchasing under the Framework Agreement. The estimated value of the total Framework Agreement term (including any extension options) is circa £6,900,000.

II.1.5) Estimated total value

Value excluding VAT: £6,900,000

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for all lots

II.2) Description

II.2.1) Title

Wound Drainage and Accessories

Lot No

1

II.2.2) Additional CPV code(s)

- 33100000 - Medical equipments
- 33140000 - Medical consumables
- 33141200 - Catheters
- 33141240 - Catheter accessories
- 33141600 - Collector and collection bags, drainage and kits

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

Main site or place of performance

Various locations in the UK

II.2.4) Description of the procurement

This Lot is to cover all Wound Drains and the related accessories which are used for the removal of pus, blood or other fluids from a wound, body cavity or organ. The Wound Drains covered by this Lot are open drains, closed drains, suction and gravity/passive drains, drainage catheters, drainage systems, drainage kits and drainage related accessories.

Precise quantities are unknown. It is anticipated that initial expenditure will be circa £2,000,000 in the first year of this Framework Agreement; however, this is approximate only and the values may vary depending on the requirements of those bodies purchasing under the Framework Agreement. The estimated value of the total Framework Agreement term (including any extension options) is circa £4,000,000.

II.2.10) Information about variants

Variants will be accepted: Yes

II.2.11) Information about options

Options: Yes

Description of options

This Framework Agreement will have the option to extend up to 12 months.

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2) Description

II.2.1) Title

Post Operative and Intra Operative Autologous Blood System Products and Related Accessories

Lot No

2

II.2.2) Additional CPV code(s)

- 33100000 - Medical equipments
- 33140000 - Medical consumables
- 33141200 - Catheters
- 33141240 - Catheter accessories
- 33141600 - Collector and collection bags, drainage and kits
- 33194000 - Devices and instruments for transfusion and infusion

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

Main site or place of performance

Various locations in the UK

II.2.4) Description of the procurement

This Lot is to cover all post operative and intra operative blood system products and the related accessories used for reinfusion of blood or blood components to the same individual from whom they were taken.

Precise quantities are unknown. It is anticipated that initial expenditure will be circa £350,000 in the first year of this Framework Agreement; however, this is approximate only and the values may vary depending on the requirements of those bodies purchasing under the Framework Agreement. The estimated value of the total Framework Agreement term (including any extension options) is circa £700,000.

II.2.10) Information about variants

The procurement involves the establishment of a framework agreement

Framework agreement with several operators

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

Section VI. Complementary information

VI.2) Information about electronic workflows

Electronic ordering will be used

Electronic invoicing will be accepted

Electronic payment will be used

VI.3) Additional information

The purpose of this notice is to draw attention to a procurement that NHS Supply Chain intends to commence during the subsequent 12 months. The invitation to tender will be the subject of a separate notice and it is that notice to which potential suppliers will need to respond at the appropriate time.

The following certification will be a requirement of the upcoming tender exercise and Applicants may be required to include evidence of this within their tender submission.

- * ISO 9001:2015 or equivalent externally accredited and up-to-date quality standard certificate(s) to cover all segments of the Applicant's (and the product's) supply chain.

- * Public Liability Insurance cover of £5m per claim in the name of the Applicant

- * Product Liability Insurance cover of £5m in the name of the Applicant

- * Declaration of Conformity and UKCA Certification to demonstrate compliance to UK Medical Device

Regulations 2002 or Declaration of Conformity and CE Certification to d-Declaration of Conformity and UKCA Certification to demonstrate compliance to UK Medical Device Regulations 2002 or Declaration of Conformity and CE Certification to demonstrate compliance to Medical Devices Directive 93/42/EEC or Medical Device Regulation 2017/745 (where applicable).

- * MHRA registration of any medical devices, in compliance with the Medical Devices Regulations 2002 (SI 2002 No 618, as amended) (UK MDR 2002).

If an Applicant commits to obtain any of the above at the time of their tender submission, then the requirement is that such certification is in place prior to the commencement date of the framework agreement (in order for NHS Supply Chain to place orders with the successful Applicant).

The NHS has adopted PPN 06/20 (taking account of Social Value in the award of Government Contracts), and therefore this future Framework Agreement will include some qualitative evaluation questions on Social Value with a min. weighting of 10% towards the award. For more information on Social Value and to understand what's included in Social Value, please see: <https://www.gov.uk/government/publications/procurement-policy-note-0620-taking-account-of-social-value-in-the-award-of-central-government-contracts>.

In addition, from April 2023: the NHS adopted the Government's 'Taking Account of Carbon Reduction Plans' (PPN 06/21) requiring all suppliers with new contracts for goods, services, and/or works with an anticipated contract value above £5 million per annum, to publish a carbon reduction plan for their direct emissions. This will be therefore apply to this Framework Agreement.

In line with PPN 02/23 - Tackling Modern Slavery in Government Supply Chains, all suppliers of contracts for goods, services and/or works will be required to complete and maintain an up to date MSAT (Modern Slavery Assessment Tool) as a minimum. Details can be found at <https://supplierregistration.cabinetoffice.gov.uk/msat> and will be applied to this Tender.

All suppliers will be required to complete an Evergreen Assessment. Please the following

link for access and instruction: <https://www.england.nhs.uk/nhs-commercial/central-commercial-function-ccf/evergreen/>

NHS Supply Chain intends to enter into arrangements under which it will be entitled to purchase supplies and/or services which it will make available for purchase by 1) any NHS Trust; 2) any other NHS entity; 3) any government department, agency or other statutory body and/or 4) any private sector entity active in the UK healthcare sector.

As part of its pre-tender strategy, NHS Supply Chain would also like to engage with suppliers of these products - guidance below:
