Scope

Reference

RYK P/REF735

Description

he authority has a requirement to procure a supplier or suppliers to deliver / support of the provision of but not limited to

- a. Electrical installation services
- b. Electrical repairs services
- c. Electrical rewires services
- d. Future proofing requirements
- e. Engaging with carbon reduction regulatory requirements
- f. How can we automate the current process and link in with ICT systems

The authority wishes to gauge the level of interest in this tender opportunity via the questionnaire and how to shape the final tender documents.

It is hoped that there will be a wide participation in the pre-market engagement and the authority is keen to engage with SMEs as part of this process.

This is the opportunity for market to help shape the future provision of the service that RHL will deliver to its customers. It is therefore essential that organisations understand that this activity does not affect an organisation's positioning either positively or negatively should a procurement opportunity arise subsequently.

Details and information gathered from the responses will help shape the tender process and documentation.
