PURCH1970 PROVISION OF FRAMEWORK AGREEMENT FOR THE PROVISION OF INSTALLATION, COMMISSIONING AND MAINTENANCE OF ACCESS CONTROL SYSTEMS

The University is seeking to establish a Contract for the ACS where the successful Contractor will be appointed to undertake planned maintenance works, reactive works, works arising and project works to the building infrastructure within the University estates portfolio. The aim is to provide a world-class, cost-effective service delivered with a high-quality culture.

The Contractor will provide a turnkey solution for Salto installations. This will include, but not be limited to, design specification, installation and supply of Salto hardware, fire alarm

interfaces, fire stopping, the provision of network points, electrical supplies, and may require coordination and management of the University's existing suppliers and Contractors.

Please refer "PURCH1970 - ITT Document" for additional information

II.2.5) Award criteria

Quality criterion - Name: Quality / Weighting: 70%

Price - Weighting: 30%

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

60

This contract is subject to renewal

Yes

Description of renewals

Period of 3 years with the option to extend for a further 2x12 months

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Local time

12:00pm

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: Yes

Estimated timing for further notices to be published: This procurement will be required at the end of this tender, in 3 years

VI.2) Information about electronic workflows

Electronic ordering will be used

Electronic invoicing will be accepted

Electronic payment will be used

VI.3) Additional information

Once the deadline has passed submissions can neither be created nor submitted. It is not advisable for Suppliers to wait until the last moment before creating and dispatching a response in case of any last minute problems. Please note large files should be uploaded as early as possible to ensure transfer before deadline. If a Supplier is having problems uploading to the PCS site, then the University must be informed well in advance and depending upon the merit of the case, the University may arrange for the tender to remain open on the PCS system for a short period after the deadline time stated. System problems do not fall under the University's remit and should be referred to PCS.

Postbox Security: Postbox submissions cannot be accessed by anyone, including Millstream, (the provider of the Public Contracts Scotland system) until the deadline.

Freedom of Information

The Freedom of Information (Scotland) Act 2002 (FOISA), which came into force on 1 January 2005, designates University of Glasgow as a Scottish public authority and therefore subject to the provisions and obligations in that Act. This means that any person who makes a valid request for information held by University of Glasgow will be entitled to receive it, unless all or part of that information can be withheld by virtue of the exemptions in that Act.

under the Act, University of Glasgow may be required to disclose any information held relating to your response to anyone who makes a request under that Act. Such information may only be withheld if it meets one or more of the exemptions or conditions in that Act. Even if an exemption is available University of Glasgow may nevertheless disclose requested information. Information held cannot simply be classified as "confidential" or "commercial in confidence" to enable it to be protected from disclosure.

University of Glasgow may publish the names and contact details of companies who have been issued with a Questionnaire on its website.

Information may also be requested under the UK General Data Protection Regulation (UK GDPR) tailored by the Data Protection Act 2018 and the Environmental Information (Scotland) Regulations 2004.

NOTE: To register your interest in this notice and obtain any additional information please visit the Public Contracts Scotland Web Site at

https://www.publiccontractsscotland.gov.uk/Search/Search_Switch.aspx?ID=710636.

The buyer has indicated that it will accept electronic responses to this notice via the

Postbox facility. A user guide is available at
https://www.publiccontractsscotland.gov.uk/sitehelp/help_guides.aspx.

Suppliers are advised to allow adequate time for uploading documents and to dispatch the electronic response well in advance of the closing time to avoid any last minute problems.

Community benefits are included in this requirement. For more information see:
<https://www.gov.scot/policies/public-sector-procurement/community-benefits-in-procurement/>

A summary of the expected community benefits has been provided as follows:

The University has a strong commitment to Community Benefits and seeks to engage with Bidders who have likeminded policies.
