Home is seeking to establish a framework of suitably qualified and experienced consultants to provide both Employer's Agent (EA) and Clerk of Works (CoW) services for new build and/or regeneration. The scope of projects may vary and may include elements of conversion, refurbishment works and supported housing projects.

In addition to the core services of EA & CoW, call-off appointments may include optional

services of Principal Designer and Quantity Surveyor.

It is intended that framework call-offs will be primarily via mini tender, however a direct award mechanism will be available where pre-defined criteria are met.

The Framework will be tendered as 4 individual regional lots:

Lot 1 – North East

Lot 2 – Cumbria

Lot 3 – Yorkshire & Humberside

Lot 4 – South

To apply for each lot consultants must be able to provide both Employer's Agent & Clerk of Works services in house.

It is our intention to appoint 5 suppliers per lot, and tenderers will be restricted to applying for a maximum of 3 lots.

Following evaluation at ITT stage, your organisation must be ranked 1–5 within the relevant lot to be appointed to the Framework Contract.
