Scope

Description

In 2027, the Natural History Museum will open a new, permanent gallery at South Kensington dedicated to building a positive connection to nature in our very youngest audiences - aged 4-7 years old - and their adults.

The Natural History Museum is looking to appoint Immersive Experience consultants to help us deliver our vision for the gallery. The Immersive Experience consultants will be responsible for the development, design and specification of the Immersive Experience Exhibits, through ideation to production and install.
