T2206 Framework Agreement for the Hire of Ancillary Equipment

Reference number

T2206

II.1.2) Main CPV code

- 31000000 - Electrical machinery, apparatus, equipment and consumables; lighting

II.1.3) Type of contract

Supplies

II.1.4) Short description

Belfast City Council (“the Council”) invites tenders from suitably qualified and experienced Economic Operators for the inclusion on a Framework Agreement for the hire, delivery, off-loading, positioning and pick up of Ancillary Equipment for Council events.

The Contractor will be required to position the portable toilet facilities and modular buildings on site as instructed by the Council or Production Management Company.

The framework shall operate on the basis of mini-competitions whereby all Economic Operators who have been successful and appointed to the framework will be invited to quote for the hire of ancillary equipment at any given time. The framework should not be seen as a firm commitment to enter into call off contracts. Each time the Council calls off this framework agreement they must provide an order form and the subsequent contract will be as per the terms and conditions set out in the documents.

The Council wishes to appoint a maximum of 5 suppliers to its framework for the hire of ancillary equipment. The framework will operate on a call-off basis. Such call offs shall be awarded via mini-competition process run by an appointed Production Management Company.
