- 44221310 - Access gates

- 45312100 - Fire-alarm system installation work

II.2.3) Place of performance

NUTS codes

- UKF3 - Lincolnshire

II.2.4) Description of the procurement

Lincolnshire County Council are looking for a supplier to provide the services briefly described as repair and maintenance of CCTV systems, smoke/ fire detection systems, automatic gate systems with an access control system and electric fences at their waste sites and highways depots.

The Customer's Sites currently comprise 11 household waste recycling centres, 5 waste transfer stations (WTSs) and 8 highways depots throughout Lincolnshire.

All the above sites have CCTV installed, and all sites will require the repair and maintenance of CCTV systems. Only the WTSs have a smoke/ fire detection system fitted, therefore only the 5 WTSs will require the repair and maintenance smoke/ fire detection systems. 5 of the highways depots have automatic gate and access control systems which will require repair and maintenance of automatic gate and access control systems, 3 of the highways depots have electric fences which will require repair and maintenance of electric fences .

The customer may also seek to incorporate ANPR repair and maintenance during the contract period.

Expressions of interest shall be submitted via the Pro-Contract Due-North portal no later than 10th January 2022 at 12.00 noon.

We also ask organisations who are expressing an interest to please complete a pre-market engagement questionnaire which is published alongside this PIN Notice. Please complete the pre-market engagement questionnaire via the Pro-Contract Due-North portal no later than 10th January 2022 at 12.00 noon.

II.3) Estimated date of publication of contract notice

18 April 2022

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes
