- 90711500 - Environmental monitoring other than for construction
- 90731400 - Air pollution monitoring or measurement services
- 90731800 - Airborne particle monitoring
- 90731700 - Carbon dioxide monitoring services
- 90731600 - Methane monitoring

### **II.2.3) Place of performance**

NUTS codes

- UKM75 - Edinburgh, City of

### **II.2.4) Description of the procurement**

The scope of this Intelligent Infrastructure project is as follows:

1. Delivery of a cloud based Urban Traffic Management & Control (UTMC) system which makes use of data from disparate systems to control Intelligent Transport System (ITS) assets.

2. Refurbishment of existing Variable Message Signs (VMS) (upgrade electrical and electronic equipment within existing enclosure); approximately 22 VMS existing signs and full integration with the UTMC system
3. Purchase and installation of 20 AQ sensors with full integration to the UTMC system
4. Purchase of a floating car journey time monitoring system to supply data on the major 12 routes into Edinburgh with full integration to the UTMC system
5. Installation of above ground cycle detection at 11 signalised junctions and crossings
6. UTMC system to receive traffic, cycle and pedestrian count data from the council's video analytics platform for approximately 30 sites, fully integrated with the UTMC system
7. UTMC system to receive SCOOT messages and data from the council's existing UTC system
8. UTMC system to include Events, Roadworks and Incident management, including Datex II feed
9. UTMC system to include interface to the council's existing Twitter and Facebook pages
10. Open Data platform and data analysis tool to be provided

#### **II.2.14) Additional information**

It is anticipated that the Council will run a supplier engagement day, the announcement date of which will be disclosed on this notice.

See supported documents for any other additional information when released.

#### **II.3) Estimated date of publication of contract notice**

24 January 2022

---

## **Section IV. Procedure**

### **IV.1) Description**

#### **IV.1.8) Information about the Government Procurement Agreement (GPA)**

The procurement is covered by the Government Procurement Agreement: Yes

---

## **Section VI. Complementary information**

### **VI.3) Additional information**
