Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Community ENT Service

Reference number

PRJ1244

II.1.2) Main CPV code

- 85000000 - Health and social work services

II.1.3) Type of contract

Services

II.1.4) Short description

North East London ICB would like to procure a NEL wide community ENT service which will continue to improve patient equity of access, deliver value for money, provide a seamless pathway for patients and improve care for patients thorough Quality and Safety reviews across NEL. A consultant led community-based ENT service to diagnose and treat a range of ENT conditions, and manage relevant follow-up activity within the service before final discharge back to the care of the patient's own GP, or onward referral to secondary care where necessary. The service will provide patients with timely access to diagnostics and treatment, providing a 'one-stop' service where possible and appropriate, and will be delivered by a range of appropriately trained and accredited clinicians.

Interested organisations must express an interest via Pro-contract e-tendering portal. Bidders needs to register on Pro-contract if they are not registered already. This can be done by clicking the link below.

<https://procontract.due-north.com/Register>

Once registered, you can express an interest in this project and submit your bid via the e-tendering portal by clicking the following link to this specific project:

** link to be added

Please note that bids submitted by any other means will not be considered.

II.1.5) Estimated total value

Value excluding VAT: £22,054,765

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 85000000 - Health and social work services

II.2.3) Place of performance

NUTS codes

- UKI - London

II.2.4) Description of the procurement

To provide a consultant led community-based ENT service to diagnose and treat a range of ENT conditions,

and manage relevant follow-up activity within the service before final discharge back to the care of the

patient's own GP, or onward referral to secondary care where necessary. The service will provide patients

with timely access to diagnostics and treatment, providing a 'one-stop' service where possible and

appropriate, and will be delivered by a range of appropriately trained and accredited clinicians that may

include:

- ENT Consultants
- GPs with Specialist Interest GPSI
- ENT Specialist Nurses
- Audiologists
- Other ENT/audiology support roles

The overall aim of this service is to improve access to ENT services, enabling a reduction in waiting times

and improved choice for patients, and allow GPs to refer patients for investigation without the need for a

secondary care referral, and within a shorter timeframe.

II.2.6) Estimated value

Value excluding VAT: £22,054,765

II.2.7) Duration of the contract or the framework agreement

Duration in months

60

II.2.14) Additional information

3 + optional 2 years

Bidders are requested to review the contents of the ITT guidance document carefully, register their organisation, and express their interest in the ITT via the e-tendering portal (ProContract). ITT documentation can be accessed following initial registration and expression of interest via the e-tendering portal:

<https://proContract.due-north.com/register>

Any reference to "the e-tendering portal" should be considered reflective of the above web address.

The ITT has been issued through the e-tendering portal. All Bidders wishing to participate must complete and submit Bids that comply with the requirements set out in the ITT document. Bidders are required to complete the online questionnaire on procontract and upload any attachments as indicated before the deadline for submission of bids specified in the ITT document.

The project on Procontract Portal can be accessed by clicking the following link:
