II.1.4) Short description

The Office of the Police Crime Commissioner for Hampshire and the Isle of Wight is seeking a suitably experienced supplier to deliver Restorative Justice Services across Hampshire and the Isle of Wight. This is a single supplier contract with an initial contract term of three years (36 months) with possible two further extension periods of 12 months each.

The Police and Crime Commissioner (PCC) is looking to establish a contractual relationship with a Service Provider who will act as a single point of contact to ensure that the Restorative Justice service is effectively and efficiently delivered. The Restorative Justice Service will continue to build awareness and understanding of Restorative Justice and its potential benefits amongst our partner agencies (in order to generate referrals) and the communities that we serve. The Restorative Justice Service will ensure that it works in a trauma informed way which complements Restorative Justice principles.

II.1.5) Estimated total value

Value excluding VAT: £2,175,000

II.2.4) Description of the procurement

This procurement process and proposed Restorative Justice Service contract will enable the Commissioner to deliver on her commitments to:

- Ensure that all victims are given the opportunity to benefit from Restorative Justice.
- Explore increased use of Restorative Justice for victims of ASB.
- Fund and deliver Restorative Justice Services.

This will enable offenders to self-refer (which is excluded under the terms of the MOJ Victims Fund) and Police to be able to refer low-level cases of neighbourhood dispute, where there is no clear harmed or harmer, however a restorative approach may prevent the escalation of the situation, a crime being committed and a victim being created.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £2,175,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system
